AN HONOR TO TALK TO THIS ASSEMBLAGE OF TODAY'S ADULTS DEDICATED  
TO TOMORROW'S MEN

JOKE!? (JOHNSTOWN FLOOD JOKE?)

TODAY'S NAVY

- FLIES THE WORLD'S MOST EXOTIC AIRCRAFT OFF THE WORLD'S SMALLEST AIRSTRIP, THE AIRCRAFT CARRIER.
- MAINTAINS THE ONLY FLEET OF NUCLEAR POWERED SURFACE VESSELS.
- UTILIZES ONE OF THE MOST COMPLEX COMMUNICATIONS SYSTEMS IN THE WORLD.
- PROVIDES THE MANPOWER TO EXPLORE OUR LAST FRONTIERS - THE OCEANS, ANTARCTIC AND MOON.
- THE NAVY HAS A MULTITUDE OF RESEARCH CENTERS AND THINK-TANKS WHICH

DETERMINE THE COMPOSITION AND MISSION OF THE FUTURE NAVY  
WE SPEND BILLIONS OF DOLLARS DESIGNING NEW AND IMPROVED EQUIPMENT  
FOR THE NAVY

HOWEVER

THE MOST IMPORTANT ASSET OF TOMORROW'S NAVY IS IN YOUR HANDS  
WE ARE DESIGNING AIRCRAFT AND SHIPS FOR A NAVY 15 YEARS AWAY

BUT

YOU ARE PREPARING THE MEN WHO WILL MAN THEM.

JUDGING FROM YOUR PAST ACCOMPLISHMENTS OUR SHIPS AND PLANES  
WILL BE IN GOOD HANDS.

QUALITIES WE ARE LOOKING FOR:

DEDICATION TO COUNTRY - WHICH STARTS IN THE COMMUNITY. FOR US THE  
END RESULT IS A DEDICATED CREWMEMBER.  
TEAM WORK - WHICH STARTS ON THE BASKETBALL  
COURT AT 95 CHURCH STREET  
A LOVE FOR ADVENTURE - WHICH STARTS ON THE PENTAQUAMSETT RIVER.  
KEY IS MOTIVATION - THAT IS WHAT YOU ARE PROVIDING AT THE YOUNGER  
AGES AND WE MUST AT THE OLDER.
